# 经营理念 Business Concept

01  
Quality

02  
Honesty

03  
Efficient

## Belief

Companies adhering to the customer first, sharp and aggressive business philosophy, the customers first principle to provide our customers with quality service.

04  
Unity

05  
Win-win

# 竞争优势 Advantage

拥有涵盖所有类型的户外防水包袋及高、中、低档选择的产品  
Having thousands items for choose , Low,medium,High level ,you can find any waterproof bag you need

客户遍布23个国家和地区，有宝马等世界知名企业  
Having customer All around the world , such as BMW -world famous customer

a) 独立自主的研发生产线，拥有专业及经验丰富的研发人员；  
b) 一直致力于不断引进先进的生产机械设备  
20年无缝热压及电压技术  
Having TPU laminated fabric factory  
Having 20 years top seam sealing and HF welding technical

精准的产品推荐，快速的产品开发，最快交货周期  
Recommending correct product; fast response product development; short lead time

# WHY SEALOCK

**Base on we have stable production environment, we also have:**

- We can provide the special production line for you.**
- We have TPU laminated factory, which can short the sample date, also reduce production price in TPU.**
- We can make sample by hand in the development which no need open mould at beginning project. It will be save development time and money.**
- We are establishing another factory in Vietnam.**

# 2019战略及规划 Future Plan

01

**扩大生产线**  
Enlarge  
production  
capacity

02

**销售额突破1亿**  
Turnover to  
be 100 Million  
RMB

03

**提供更优质的服务与产品**  
Better quality and  
products and service

# 2019~2023 Future Plan In China

FUTURE PLAN	WORKERS	PRODUCTION LINE	SALE VALU TARGET
